

Dear Friends,

Grace to you.

It is my privilege to introduce Kayla Evans as our new Church Ministry Coordinator (CMC).

To see God work out His purposes in the lives of His people is a wonderful grace that He gives. The potential that each of us has, to be a great force for good is never limited by our own ability, but our availability in the things that matter most.

Below is Kayla's introduction of herself, and her availability to serve the body of Christ here at West Cohasset. I hope you enjoy reading just as I did.

This comes with my gratitude to all of you, for your partnership in the Gospel.

Dear West Cohasset Family –

*"I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave Himself for me." Galatians 2:20*

I am very excited to come alongside and serve you as the new CMC here at West Cohasset Chapel (WCC). I am completely humbled to be serving our Lord Jesus Christ and His people in this way. It is by God's grace alone that I am writing this letter today. I pray that by His continued grace; He will enable me to do the work of the CMC very well for His glory and for the sake of Jesus Christ.

I have been attending WCC since August of 2012. I will never forget the first Sunday that I walked into WCC. Only a couple of weeks before, I had turned to God in repentance and put my faith in Jesus Christ. I did not grow up in a Christian home, I had never read the Bible and although I was saved I didn't understand exactly what much of it meant. All I knew, was the weight that was on my shoulders had been lifted somehow after I asked for God's forgiveness and for Jesus to come into my heart and life. There was peace in my heart that had not been there before.

I will never forget my shaky, weak, stumbling prayer to God when I asked Him; "Where should I go to church?" It was one of the first prayers I said after my conversion when I began to trust God. The next week God answered my prayer! I kept coming across WCC. I was so broken and hard-hearted when I walked into church that day, I wanted to change. I will never forget the love that I felt from complete strangers as they welcomed me in. I will never forget the instant fellowship that I felt during worship. I will never forget the first time I listened to the Bible being spoken, prayed over, taught and preached. Not a Sunday goes by when I do not think of my first day walking through the doors of WCC when my new life in Jesus Christ began. Now here I am as your CMC.

A big part of my position is to be able to communicate WCC information to the congregation as well as to the world. Please know that each of you has a purpose and I am here to serve you with your ministry needs. As the church body continues to grow, it is my hope to work with each of you to continuously welcome new visitors to WCC with the love of Christ, and to help strengthen the ministries we offer.

It is to that end that I hope to serve each of you with the love of Christ Jesus.

*“But when the kindness and love of God our Savior appeared, He saved us, not because of righteous things we had done, but because of His mercy. He saved us through the washing of rebirth and renewal by the Holy Spirit, whom He poured out on us generously through Jesus Christ our Savior, so that, having been justified by His grace, we might become heirs having the hope of eternal life.” Titus 3:4-7*

God bless you,

Kayla Evans
